ThinSkyn®

King of **WATER-FREE** supplements

fssai

Health Canada

Are your movements becoming harder, knees creaking, or hands trembling—feeling older than you are?

You might need a **natural, non-invasive** supplement to support joint and bone health.

FlexyBear is the first sublingual strip that dissolves in seconds—designed to promote joint, cartilage, and bone well-being with its combination of collagen, glucosamine, and vitamins.

What does FlexyBear contain, and how does it help support bones, cartilage, and joints?

UC-II® Collagen (40 mg)**	Glucosamine (5 mg)**	Vitamin K2 (75 mcg)	Vitamin D3 (5 mcg)
may improve stiffness and enhance joint mobility***.	a key component of cartilage that may improve flexibility by acting as a natural lubricant****.	helps maintain strong, healthy bones.	supports normal muscle function and bone strength.

MADE WITH STEVIA

NATURAL FLAVORS

GMP CERTIFIED

NO SUGAR

PRESERVATIVE FREE

LAB TESTED

1 strip daily in the morning
(recommended cycles of 60–90 days).

Dissolves in seconds
no water required.

Easy to keep in your bag,
on trips, or in the office.

Targeted daily support
for bones and mobility.

Get back to playing with your grandkids: less stiffness, less joint pain.

Always have it with you: fits in your pocket and works **within minutes.**

Perfect for athletes or post-injury recovery: **supports mobility restoration.**

Helpful for prevention: **suitable for those at risk or with hereditary joint issues.**

Why choose FlexyBear?

Works faster:

FlexyBear dissolves instantly on the tongue, allowing active ingredients to reach the bloodstream quickly.

For muscles and joints:

powered by patented UC-II® Collagen that supports flexibility and reduces stiffness.

With vitamins K2 and D3:

essential for maintaining healthy bones.

Premium ingredients:

every component is carefully selected based on scientific research—not trends.

We also recommend:

SugarBomber: supports digestion after meals high in sugars or carbs. Perfect when bloating appears after desserts, snacks, or wine;

DefenderDuck: your ally for gut balance during seasonal changes. Strengthens natural defenses and supports microbiota over time;

DragonPower: with caffeine and ginseng, helps sustain your natural energy—without harsh stimulants.

Warnings:

do not exceed the recommended daily dose;
keep out of reach of children under 3 years old;
supplements should not replace a varied, balanced diet and healthy lifestyle;
if pregnant, breastfeeding, or taking medication, consult your doctor before use;
store in a cool, dry place away from heat sources.

FlexyBear is a food supplement notified to the Italian Ministry of Health (178131).

Try FlexyBear: with UC-II® Collagen and vitamins to support joints and muscles.

ThinSkyn®

Did you know...?

Joint discomfort can start as early as your 40s due to poor diet, low activity, or a sedentary lifestyle.

To prevent or ease these issues, supplements containing turmeric, collagen, and glucosamine—like **FlexyBear's** core formula—are traditionally effective.
