

Why choose PantherLuxy?

Works faster:
PantherLuxy dissolves instantly on the tongue, allowing active ingredients to reach the bloodstream more **quickly**.

Beauty from within:
powered by biotin to support healthy skin, hair, and nails.

Glow naturally:
the patented Red Orange Complex® helps the skin look more even and radiant.

Premium ingredients:
every ingredient is carefully selected based on scientific studies—not trends.

We also recommend:

FlexyBear:
ideal for adults over 40 or during recovery who want to maintain healthy joints, cartilage, and bones.

DefenderDuck:
your ally for intestinal balance during seasonal changes. It helps strengthen the immune system and support long-term microbiota balance.

DragonPower:
with caffeine and ginseng, it helps sustain natural energy without harsh stimulants.

Warnings:

do not exceed the recommended daily dose;
keep out of reach of children under 3 years old;
supplements should not replace a varied, balanced diet and a healthy lifestyle;
if pregnant, breastfeeding, or taking medication, consult your doctor before use;
store in a cool, dry place away from heat sources.

PantherLuxy is a food supplement notified to the Italian Ministry of Health (178130).

Did you know...?

True beauty begins from within. To maintain it over time, it's essential to support your body with vitamin C, collagen, and keratin—alongside a balanced diet and regular physical activity.

PantherLuxy combines silica and centella to promote collagen synthesis, vitamin B7 for keratin production, vitamin C for vitality, and Red Orange Complex®, a patented extract known for its powerful antioxidant properties.

Health Canada

Dull skin, brittle hair, nails that break easily... beauty treatments that once worked now seem temporary.

That's because surface treatments alone aren't enough—your beauty needs support **from within.**

PantherLuxy is the first sublingual strip that dissolves in seconds to support your natural beauty, cellular vitality, and the health of your skin, hair, and nails —featuring **Red Orange Complex®**, awarded Ingredient of the Year at the NutraIngredients USA Awards 2025.

What does PantherLuxy contain and how does it support skin, hair, and nails?

Biotin (450 mcg) supports the maintenance of healthy skin, hair, and nails.	Organic Silica Mesoporusil® (30 mg)*/** promotes collagen synthesis and enhances skin elasticity.	Red Orange Complex® (50 mg)*/*** provides antioxidant and photoprotective action, helping achieve a more even, luminous skin tone.	Centella asiatica (30 mg)*/**** supports microcirculation and skin tone.
